

Message to Gymnastics Parents

Thank you so much for your continuous patience and support in regards to the upcoming gymnastics session. We are still monitoring the given situation and planning safety protocols in addition to the CDC guidelines as we tackle this crazy, unpredictable scenario. In order for this season to be as successful as possible for the children, we will need complete assistance and cooperation from everyone, especially you, the parents and guardians. Please read the following below and adhere to our new policies and regulations as we try to make this session as normal, successful and fun as possible.

- 1. If your child or anyone in the household is exhibiting COVID-19 symptoms, please stay at home.**
2. If your child or anyone in the household is positive for COVID-19 you must notify the Recreation Department.
3. Masks are required for all while inside the Round House.
4. Please enter the Round House at the main front doors. Please exit the Round House on the side left door (the one facing the bandstand).
5. Participants will need their own water bottle, all drinking fountains will be closed.
6. Parents should have a "care package" for their child. Supplies should include a sanitizer, wipes, drinks, etc.
7. Please sanitize your child's hands prior to and following the session.
8. The chairs will be placed at 6 feet apart . Please do not move the chairs.
9. Instructors will have temperature checks before each session and will be masked during all of the class.
10. Equipment will be disinfected regularly and/or between classes. Parent & Tot class will take a break during the middle of the class to disinfect the equipment.
11. Classes have been scheduled appropriately to minimize crossover students.
12. Only one spectator per child allowed at this time. No extra parents/grandparents or siblings allowed.
13. Lastly, please be respectful to all involved as the agencies try to return some normalcy to the participants and communities.
14. The Class times have been changed to allow time for equipment sanitization. Below is a list of the new class times:
